
Curriculum Vitae

Name : Dr. Yaser A. M. AL-Lahham (PhD)

Email: yasirihm@zu.edu.jo

IT/ CS

Academic Rank: Associate Professor

Membership:

1	International Arab Journal of Information Technology
2	International Arab Conference of Information Technology ACIT
3	
4	

Qualifications:

1	PhD 2009, Bradford University – United Kingdom Structured Peer-to-Peer Information Retrieval Systems
2	Masters degree 2004, Arab Academy Computer Information Systems
3	High Diploma 1991, University of Jordan Mathematics
4	Bachelor Degree 1985, University of Jordan Computer Science

Curriculum Vitae

Professional

Objective(s):

Improving knowledge in the field of computer science, and keep up with the state of the art in order to have better research and teaching qualifications.

Teaching Experience:

#	From	to	
1	2019	-	Editorial Secretary of the IAJIT Journal
2	2022	-	Associate Professor – Zarqa University
3	2015	2022	Assistant Professor – Zarqa University
4	2012	2015	Head of CS Department – Zarqa University
5	2009	2012	Assistant Professor – Zarqa University
6	2004	2009	Instructor – Zarqa University

Publications:

#	Title	Publisher	Year/ Issue (Vol/No)
1	On Effective Hybrid Negotiation in Multi-agent Systems	MDPI, Electronics	Volume 11 Issue 17 , DOI:10.3390/electronics11172754
2	Similarity Threshold Estimation for Enhanced Text Document Clustering	ICIC Express Letters - An International Journal of Research and Surveys	Volume 16, Number 6, June 2022, DOI: 10.24507/icicel.16.06.583
3	Index Term Selection Heuristics for Arabic Text Retrieval	Springer – The Arabian Journal of Science and Engineering	46: 3345-3355 3/1/2021

Curriculum Vitae

4	Conditional Arabic Light Stemmer: CondLight	The International Arab Journal of Information Technology IAJIT	Vol. 15, No. 3A, Special Issue 2018
5	Scheduling Of Concurrent Transactions in Broadcasting Environment	KSII TRANSACTIONS ON INTERNET AND INFORMATION SYSTEMS	Vol. 12, no. 4 pp. 1655-1673, 2018, DOI: 10.3837/tiis.2018.04.014
6	Scalable Self-Organizing Structured P2P Information Retrieval Model Based on Equivalence Classes	The International Arab Journal of Information Technology IAJIT	Vol. 11, No. 1, January 2014
7	Locality Preserving Scheme of Text Databases Representative in Distributed Information Retrieval Systems	Journal of Digital Information Management	Volume 9 Number 5, October 2011
8	Efficient Approach for Building Hierarchical Cluster Representative	IJCSNS International Journal of Computer Science and Network Security	VOL.11 No.1, January 2011
9	Incremental Transitivity applied to cluster retrieval	the International Arab Journal of Information Technology IAJIT	Volume 5 Number 3, July 2008

Curriculum Vitae

Conferences:

#	Paper Title	Organizing Institution	Conference
1	Prediction of electrical power consumption in Jordan	Colleges of Computing and Information Society CCIS	The 21 st conference of Information Technology
2	A Meta-strategy for Multi-issue Negotiation	Colleges of Computing and Information Society CCIS	the 20 th International Arab Conference of Information Technology (ACIT)
3	Arabic Document Indexing for Improved Text Retrieval	Princess Sumaya University for Technology (PSUT)	ICTCS2019
4	An Efficient Ranking Algorithm for Scientific Research Papers	Colleges of Computing and Information Society CCIS	The 17 th conference of the International Arab Conference of Information Technology (ACIT)
5	Information Retrieval Model on-top-of Chord peer-to-peer system	Information Integration and Web-based Applications & Services	Sixth International Conference on Information Integration and Web-based Applications & Services (iiWAS2004)

Supervision:

Curriculum Vitae

#	Year	University	Thesis Title	Student Name
1.	2014	Zarqa University	"Threshold Determination for document clustering"	<i>Nathmi Shtai</i>
2.	2016	Zarqa University	"Efficient keyword selection method using corpus statistics"	<i>Mohammad Husain</i>
3.	2016	Zarqa University	"Scientific Research Document Ranking Method"	<i>Fathi Hattab</i>
4.	2018	Zarqa University	Conditional Arabic Light Stemmer	Khawla Matarneh
5.	2019	Zarqa University	A COOPERATIVE OFFER GENERATION STRATEGY FOR NEGOTIATING AGENTS	Safiya Taweel

Personal Information

Name	Yaser A. M. AL-Lahham
------	-----------------------

Curriculum Vitae

Place and Date of Birth	Beth Lehem 1/6/1964
Nationality	Jordanian
Marital	Marred

Status	
Address	Amman – Southern Marka – AlRabwa – Muhammad Al-Hazemi Street
Work Tel No.	0962-5-3821100 ext 1508
Mobile:	0797795603
Postal Address	Zarqa University – Faculty of Information Technology – Computer Science department
