

**Name: Rana Abutaima**

**Email: rabutaima@zu.edu.jo**

**Academic Rank: Assistant Professor**

**Membership:**

1	Jordanian Pharmacists Syndicate
---	---------------------------------

**Qualifications:**

1	PhD in Pharmacology
2	BSC in Pharmacy
3	

**Professional Objective(s)**

- To investigate pharmacokinetic drug interactions while deploying *in vitro*, *in vivo* and *in silico* approaches for this purpose.
- To develop novel approaches that would enhance students' understanding of modules involving mathematical calculations.

**Teaching Experience:**

#	From	to	
1	2018	present	Assistant Professor at Zarqa University
2	2013	2014	Teaching assistant at Zarqa University
3			.
4			
5			

**Publications:**

#	Title	Publisher	Year/ Issue (Vol/No)
1.	Effect of Pregnancy on the Pharmacokinetic Interaction between Efavirenz and Lumefantrine in HIV- Malaria Coinfection	American Society for Microbiology	2018 10.1128/AAC.01252-18
2.	Influence of selected polymorphisms in disposition genes on lumefantrine pharmacokinetics when coadministered with efavirenz	LWW	2020 10.1097/FPC.0000000000000401
