2	Bachelors of Architectural Engineering-Zarqa University // 2008- 2013
3	
4	

Professional Objective(s): I am interested in the design of Informal Learning Spaces, and a strong believer that architecture has a strong role in supporting learning especially in higher education buildings. I hold the view that learning theories and designing for higher educational buildings are interrelated processes, that when implemented together in practice lead to support students' wellbeing and enjoyable healthy architecture.
