

Sami Mahmoud Abdel qader Askar

Email: saskar@zu.edu.jo

Information Technology Collage /Data Science and Artificial Intelligent

Academic Rank: Assistant professor

Membership:

1	MEMBER IN JORDAN ENGINEERS ASSOCIATION (JEA) FROM 2006.
---	---

Qualifications:

1	Ph.D. (Doctor of Philosophy) – Telecommunications System and Networks
2	Master of Science Telecommunications systems and networks engineer
3	Bachelor of Telecommunications system and network

Teaching Experience:

#	From	To	Job description
1	10-3-2024	now	Assistant Professor Department of Computer Information Systems (CIS) Faculty of Science and Information Technology ZarqaUniversity Jordan
2	1-10-2012	10-3-2024	Khwarizmi College - faculty of Information Technology & Networks. faculty telecommunications Engineering Position: Head of the Department of Communications Engineering
3	9-2010	3-2012	Working as Site Telecom Supervisor and trainer in SMART Company for Engineering, that including Insulations, operations and Maintenance for Networks Wireless (GSM & Internet)

Publications:

#	Title	Publisher	Year/ Issue (Vol/No)
1.	Definition of objective functions for the optimization of data networks	Modern Problems of Telecommunications-2006: scientific-practical	19-22 Oct. Ukraine: 2006.
2.	Methods of equitable distribution of resources, information and communication	Scientific and Technical Conference "Simulation". IPM Academy of Sciences of Ukraine.	12.11 In January 2007.
3.	Quality maintenance of telecommunication networks and mechanisms to ensure. Abstracts of the conference.	Conference "Simulation". IPM Academy of Sciences of Ukraine	January 10-11, 2008.
4.	Quality transmission of multimedia traffic in multicast transmission	Modern Problems of Telecommunications - 2008	29-30 October 2008.

5.	Ensuring the quality of transmission of multimedia traffic in multicast transmission Proceedings..	Scientific-practical conference "Modern problems of telecommunications and training in the field of telecommunications."	28-30 October 2008 - Lviv, 2008
6.	Methods of applying simulation of computer networks NS-2 and NS-3	Scientific and Technical Conference "Simulation". IPM Academy of Sciences of Ukraine	15-16 January 2009

Personal Information

Name	Sami Askar	
Place and Date of Birth	Amman	
Nationality	Jordanian	
Marital Status	Married	
Address	Amman –Dahyat alyasmen
