

Dr. Eyad Shagrouri

Email: ehsharouri@zu.edu.jo

Faculty of Information Technology / Computer Science

Academic Rank: Assistant Professor

Membership:

1	Jordan Engineers Association
2	Graduation Project in Zarqa University

Qualifications:

1	PHD in Computer Engineering Apr 2005 - Dec 2008
2	Master in Computer Engineering Sep 1997 - Sep 1999
3	Bachelor in Computer Engineering Jul 1992 - Sep 1997
4	High School 1996-1997

**Teaching Experience:**

#	From	To	Job description
1	1999	2006	Assistance - Lab Supervisor
2	2009	2011	Assistance professor
3	2012	2015	Assistance professor
4	2024	Till now	Assistance professor

Publications:

#	Title	Publisher	Year/ Issue (Vol/No)
1.	Using a hash of memory for quick authentication of subscribers multiplayer systems	Journal of the National Technical University of Ukraine "KPI" science, management and computer science	2005/43 - S. 75-85.
2.	Improved identification of subscribers' multiuser-based systems // Problems of information and management. Collected Essays	Journal of the National Technical University of Ukraine "KPI"	2008/2-24 S.142-147
3.	Increasing the speed of hash search by integrating the use of keys	Journal of the National Technical University of Ukraine "KPI"	2006/45 S.36-44
4.	How to protect key algorithm GOST 28.147-89 here Reconstruction analysis of the dynamics of power consumption	Journal of the National sub-regional technician the University of Ukraine "KPI". Computer science, management, and computer science. K.: TOO "WJC +	2007/45 S.128-138

**Conferences:**

#	Paper Title	Organizing Institution	Conference
.1	Potapenko MM The identification of remote users based on neural network technology	NTUU "KPI"	Materials H between people term scientific and technical conference "Systems analysis and information technology"
.2	The organization identifies the network multiplayer systems	ONTU.-2008	Proceedings of the 9th International Conference "Modern information and electronic technologies"

Supervision of Theses:

#	Year	University	Thesis Title	Student Name
.1	2010	Delmon University	Analysis of routing protocol of wireless network	
.2	2011	Delmon University	Management information system analysis to increase organization and firm production rate	

Community Service Activities

#	Duartion	Activity
1	Week	Teaching Philosophy
2	Week	Course Design
3	Week	Course Design Implementation
4	Week	Course Description and Intended Learning Outcomes

Personal Information

Name	Eyad M.M. A. Shahrouri	
Place and Date of Birth	Kuwait 30/10/1973	
Nationality	Jordan	
Marital Status	Married	
Address	Amman	
Work Tel No.	053821100	Sub:
Mobile:	0778448448	
Postal Address	P.O. Box: 11181	Jordan- Amman
