

C.V

Personal Information

NAME: Mona Elshirbini Hafez

SEX: Female

Nationality: Egyptian

E Mail: drmona752001@yahoo.com

Mbadr@zu.edu.jo

place of residence: Egypt, Mansoura

Certificates and experiences

- 1- **BSC**. In Dentistry, Mansoura University, 2002.
- 2- **Master degree** in Operative, and Endodontics, Faculty of Dentistry, Tanta University, 2010.
- 3- **Doctor degree** in Operative & Endodontics, Faculty of Dentistry, Mansoura University, 2018

Experiences:

1. General dentist at ministry of health from 2002 to 2005
2. Master degree researcher at operative dentistry department, at Tanta university from 2005 to 2009
3. Lecturer of Dentistry at International Health Science academy, Saudi Arabia from 2010 to 2013
4. Part time Assistant lecturer at Must university from 2013 to 2018
5. PHD researcher and clinical demonstrator at Operative Dentistry Department, Mansoura University from 2014 to 2018.
6. Part time assistant professor of Operative Dentistry MUST university from 2018 to 2020 (Temporary position)

7. Full time assistant professor of conservative dentistry kafr Elsheikh University 2019-2022
8. Part time assistant professor of operative dentistry Delta University 2019- 2023.
9. Coordinator of the strategic planning standard in the Quality Assurance Unit, Faculty of Dentistry, Kafr Elsheikh University.
10. Associate professor of operative dentistry, kafr Elsheikh university from May 2023 until now.
11. Head of Operative Department, Faculty of Dentistry, Kafr Elsheikh University since August 2024
12. Associate professor of operative dentistry, Zarqa University from October 2024 till now.

Skills

Language: National **TOEFL** certificate, score record 650, from Foreign Languages Public Service Center. Benha University

Computer knowledge: **IC3 Digital International Certification** in computing fundamentals of hardware, software and internet knowledge and skills.

CPR certificate: Cardiopulmonary Resuscitation from Saudi Heart Association in Affiliation with American Heart Association.

Professional Accreditation Certificate of Saudi Commission For Health Specialties

Thesis Titles:

Master degree

1. Fracture resistance and finite element stress analysis of endodontically treated teeth restored with three types of posts

PHD :

2. Effect of resin matrix type on the Clinical performance, Cuspal Deflection and Marginal Adaptation of Bulk Fill Resin Composites in Class II Cavities.

International Publications

[In vitro assessment of fracture resistance of endodontically treated teeth restored with short fiber reinforced resin based composite and ceramic overlays. BMC Oral Health. 2025 Feb 8;25\(1\):211. doi: 10.1186/s12903-025-05480-x. PMID: 39922996; PMCID: PMC11807320.](#)

Instrumental and Visual Analysis of Color Matching of Two Universal Shade Resin Composites with Different Thicknesses

Egyptian Dental Journal, January, 2024

Scientific Courses and Conferences attended:

- 2nd international conference of Egyptian association of oral and maxillofacial surgeons, certificate of attendance 25-27 September 2002, Cairo, Egypt
- 7th annual Dental Syndicate conference certificate of attendance 15-18 June 2015.
- (Build up your composite restoration as professionals) course, attendance certificate from Mansoura University.
- Infection control course, attendance certificate, 22-29 November 2007, from public administration of Dentistry, Ministry of Health and Population.
- Rotary Endodontic course from public Administration of Dentistry, Ministry of Health and Population 28-30 July 2016.
- Hyper dental show: scientific lectures and workshops attendance certificate from Dental Syndicate (15 -18 march 2018).
- Mega Endodontic, 4 days course of lectures and workshops, certificate of attendance, Dental Syndicate (23-26 August 2017).
- Ultra ceramics course certificate of attendance, 10-11 May 2018, Dental Syndicate.

Activities:

International speaker at:

1- EDSIC (Egyptian dental Syndicate international conference) 2019 speaker

Lecture: Bulkfill: A new era in composite restorations

2- EDSIC 2021 Speaker :

Lecture: Deep Carious Lesion: Take it or Leave it?

3- Dakahlia international conference DKDH 2021

Lecture: Technique tips of posterior composite

4- EDSIC 2022 speaker

Lecture: Posterior composite: revealing the mystery inside the proximal box

5- Africa health international conference 2023:

Work shop of posterior composite.

6- Dakahlia international conference DKDH 2023

Lecture: adhesive restorations: Seal is the deal!

7. EADS conference 2023: Immediate Dentin Seal

Academic supervisor of EADS Egyptian Association of Dental Students_kafr Elsheikh University
